

South Weber City

April 2016

1600 E. South Weber Drive - South Weber, UT 84405 - (801) 479-3177 - FAX (801) 479-0066

Mayor's Corner

Hi South Weber,

It has been a great spring. I have noticed many taking advantage of the good weather doing yard cleanup, it's looking good! The mosquitos that have been seen already are those that hibernate. Fogging for mosquitos will start in April. However, if you see a large number of mosquitos contact the Mosquito Abatement District - Davis at davismosquito.org. Another issue is the Landfill odor. If you continually have this odor at your home, please call the landfill manager at 801-638-3849. The landfill no longer has a recycling drop off facility; please visit the new PARC facility that is now in the building.

There was a change in the office staff. Tom Smith is now the City Manager and Elyse Greiner is the City Recorder/ Community Development Coordinator. Both are doing a great job in their new positions.

Also, the turn out for the 2016 Caucuses was amazing! Thank you to all who waited in line and to those who coordinated these events.

-Mayor Long

Manager's Minute

It is my pleasure to serve the residents of South Weber City. I'm excited to be a part of the long lasting culture and unique tradition that identifies South Weber City as the peaceful and tranquil community it is. My background is in public policy with a degree in public administration. Prior to South Weber City, I was with the City of Orem for 8 years. I started in South Weber City in July of 2014 as the City Recorder and have enjoyed my experience ever since.

Currently, the City is working on preliminary discussions and planning to rebuild the City's 1 million gallon water reservoir. This project will not likely take place immediately, but concessions are in place to make accommodation in the future. The City is also working on arrangements for the implementation of code enforcement to take effect in the coming months. Preparations for Country Fair Days have been initiated with respect to fireworks acquisition and the parade. I am hopeful, and it is my goal, to see the South Weber City tradition of Country Fair Days continue with the same enjoyment and fulfillment the residents have been able to pass down from generation to generation.

Thank you for the opportunity to be part of your lovely community!

-Tom Smith

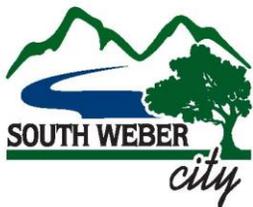

Thank you to all those who participated in the Easter Egg Hunt!

It was a great success.

South Weber City would like to give a special thanks to

Full Circle Homes

for their generous contributions and support of the event.
